City Hall Lighting Date(s)

Illumination requests will be granted for a maximum duration of seven (7) days unless there are no conflicting requests in which case the duration may extend to a maximum duration of fourteen (14) days, at the discretion of the City Manager.

Requests will be considered on a first come, first served basis, based on the date the request is received by the City Manager's office; requests should be made at least two (2) weeks in advance of the desired lighting date.

Please note that the changing of City Hall lights will take place on regular business days.

Starting Date of Illumination: *

3/10/2027

End Date of Illumination: *

3/11/2027

Requested Light Colours

At this time, the only colour options available are: Green, Blue, Red, White, and Pink/Purple.

No other colours are available at this time.

Please select the colour of your illumination request: *

- [ ] Green
- [ ] Blue
- [x] Red
- [ ] White
- [ ] Pink/Purple

Details/Purpose of the illumination event: *

The purpose of the lighting is to raise awareness about amyloidosis, a group of diseases caused by the buildup of abnormal proteins in organs and tissues of the body. Left untreated, amyloidosis can result in organ failure and can be fatal. While there is currently no cure for amyloidosis, recent medical advances are providing much-needed hope for both patients and their families.

We hope this lighting will educate more Canadians about the signs and symptoms of amyloidosis, including hereditary and non-hereditary forms of the disease. This is of critical importance since it's known that earlier diagnoses can lead to better outcomes for both patients and their loved ones.

Description of your organization including a brief history and any other relevant information: *

The Canadian Amyloidosis Support Network (CASN) is a federally registered non-profit organization that supports amyloidosis patients and their families. As part of our awareness campaign, we reach out to communities across Canada to submit requests to have landmarks illuminated in red during Amyloidosis Awareness Month held annually in March. Red is the colour designated for amyloidosis awareness.

Having knowledge of the disease can make a meaningful difference in the outcomes for patients and their loved ones since we know that earlier diagnoses can lead to earlier treatments and can prolong life expectancy. Spreading awareness about amyloidosis can also help raise the profile of our organization as we continue our work to improve the lives of people impacted by this disease, ease the burden on caregivers, and provide funding for high-value research projects.

For addiitonal information about the Canadian Amyloidosis Support Network (CASN), please visit our website at amyloidosiscanada.org. We are also on Facebook and Instagram.

Would you like to submit your City Hall illumination request to happen annually? *

- (•) Yes, please repeat on an annual basis
- ( ) No, this one time only

Please note that it is up to the person/group submitting the request to contact the City if the annual date changes or discontinues for any reason.

By submitting this form, you affirm that the facts set forth in it are true and complete. All City Hall illumination requests must adhere to the Flag Flying, Proclamations and Public Awareness Campaigns Policy.

The personal information on this form is collected under the authority of the Municipal Act, 2001, 227 and City Policy CMA34. The information is used for the City Hall lighting process including, but not limited to, evaluating requests for illumination events and contacting the requestor.
