

Attachment 2

Conditions of Approval for Utility Box Painting Project

1. That each community group provide insurance to the satisfaction of the City's Corporate Services Department, naming the City as an additional insured (\$5 M) for the duration of the installation/painting of their allocated location;
2. That the installation be done in consultation with and approval by the Manager of Public Works & Engineering.
3. That ArtCures Grey Bruce is responsible for the concept and execution of each utility box and will ensure each community group follows the guidelines for design as approved through report CS-26-094.
4. That ArtCures Grey Bruce is responsible for the materials used for the design of each utility box and will ensure each community group follows the guidelines for materials and painting guidelines as approved by the Manager of Public Works and Engineering.
